

## Lost and Found Items – 2012

To report or inquire about lost and found items, send an email to: [middlefork@fs.fed.us](mailto:middlefork@fs.fed.us). Be very descriptive about the item, including when and where. This email is a Forest Service email account and we will attempt to match up items whenever possible. Please include a daytime phone number in your email. A Forest Service employee will make contact if items match up.

***Updated September 12, 2012***
